

Logging on to Google Drive and accessing Google Classroom

Tai Education Centre

Go to www.google.co.uk/drive and click the blue “Go to Google Drive” button on the left hand side underneath the Personal heading

The image shows a Google sign-in interface. At the top is the Google logo. Below it, the text reads "Sign in to continue to Google Drive". There is a text input field labeled "Email or phone". Below the input field is a link for "Forgot email?". Further down, there is a note: "Not your computer? Use Guest mode to sign in privately." with a "Learn more" link. At the bottom left is a "Create account" link, and at the bottom right is a blue "Next" button. At the very bottom of the page, there is a language selector set to "English (United Kingdom)" and links for "Help", "Privacy", and "Terms".

You will then be presented with the screen above. Your child will have been provided with a slip with their login details for Google Drive included. Please take care when entering the email as it is case sensitive. Once entered press Next.

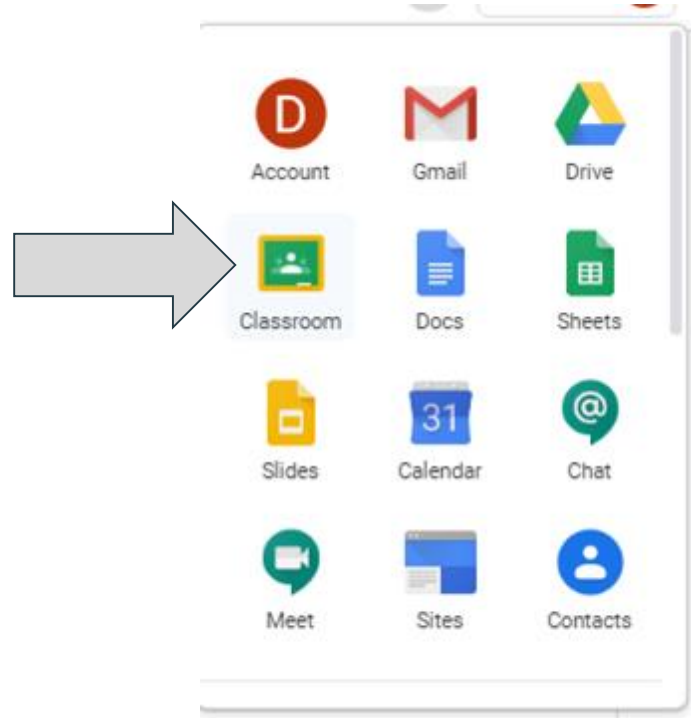

The image shows a Google account verification interface. At the top is the Google logo, followed by the name "D Jenkins". Below the name is a grey rectangular box, likely for a photo or ID. The text "To continue, first verify that it's you" is displayed. A password input field is shown with the placeholder text "Enter your password" and a single character "|". To the right of the input field is an eye icon for toggling visibility. Below the input field are two links: "Forgot password?" and a blue "Next" button. At the bottom of the page, there is a language selector "English (United Kingdom)" with a dropdown arrow, and three links: "Help", "Privacy", and "Terms".

Repeat for the password (provided on the same slip). Passwords are also case sensitive.

Once you have logged in you will be presented with the main Google Drive screen. Towards the top right hand corner we will need to click the “waffle” icon to access the Classroom.

From the drop down menu select Classroom to gain access to the Classroom Dashboard.

The screenshot shows the Microsoft Teams interface for a classroom named 'Dosbarth Tryfan'. At the top, there is a navigation bar with a hamburger menu icon, the name 'Dosbarth Tryfan', and tabs for 'Stream', 'Classwork', 'People', and 'Marks'. On the right side of the navigation bar, there are icons for settings, a grid of apps, and a profile icon with the letter 'D'. Below the navigation bar is a large banner image of a school building with the text 'Dosbarth Tryfan' and a 'Class code' input field. To the right of the banner, there are links for 'Select theme' and 'Upload photo'. Below the banner, there is a section for 'Upcoming' with the text 'No work due in soon' and a 'View all' link. To the right of this section is a text input field with a placeholder 'Share something with your class...' and a share icon. Below the input field is a post by 'D Jenkins' at '18:07'. The post text reads: 'Check out this Minecraft build. It was done by 24 different people from 16 different countries and consists of 12.5 million blocks!'. Below the post text are two questions: 'What do you think of it?' and 'Can you think of some adjectives to describe it?'. A question mark icon is located in the bottom left corner of the screenshot.

This is the main page for your child's classroom. Teachers may already have activities posted. Teachers may post additional activities over time so make sure to check back regularly!
