

FREE 'Amazing Astronomy' FESTIVAL

Join Amgueddfa Cymru and take part in our Amazing Astronomy weekend from your own home!

At spring equinox, let our team of experts and fun presenters inspire you about all things astronomical, and guide you in an exploration of the night sky.

Here's a taster of what's included:

- Science shows the whole family will enjoy
- Tour of the Stars
- Live Space Workshop 'Rap science: Astronomy'
- Cosmic Crafts
- Behind the scenes tour of the Museum's meteorite collections
- Space Questions - Ask the Team! Live
- Space talk and tour - The Next Giant Leap + Live Q&A
- And for a stellar ending to the weekend, TV presenter and British Astronomer, Mark Thompson, will present a live show and Q & A

We'd like to offer you a 10% discount with code for our Rap Science Astronomy workshop:
SEREN (promo code)

Just type this code into the promo code box to unlock the discounted ticket

For details and to book please visit our events page: [Amazing Astronomy \(museum.wales\)](https://www.museum.wales/amazing-astronomy)
